Other (please specify):					

v. Timing of Program

Make selections by placing an X next to your preferred access to location.

Day Excursion	<input type="checkbox"/>	Short Term (Term)	<input type="checkbox"/>	Long Term (Semester-Year)	<input type="checkbox"/>
Other (please specify):					

PART C: Curriculum Planning

To assist Harbour Watch staff in maximising the learning potential of your program, could you please provide the following information.

What are your learning outcomes for the program?

--

How will the learning outcomes be assessed?

--

How will the assessment be reported?

--

What work will you be undertaking prior to the program?

--

What work will you be undertaking after the program?

--

Any other details to assist with planning the program

--

To assist in the planning of your program could you please supply an electronic copy of student assessment task or other relevant work material? If yes, please forward in an email to harbourwatch@boyneislandeec.eq.edu.au
